About GenieSoftSystem

GenieSoftSystem is proud to be led by extremely focused and dedicated professionals, who are known for their entrepreneurial skills, experience, and expertise in a wide spectrum of industries. Through our solution partnerships and strategic alliances we continue to expand our horizons in the global market. Our three dimensional service structure delivers end-to-end solutions in a variety of industries, technologies and service practices - maximizing the value delivered for our customers through a diversified, adaptable and synergetic business and service model. GenieSoftSystem Solutions offers one-stop comprehensive sourcing solutions for today's business in a focused yet diversified manner.

Mission Statement

To achieve total customer satisfaction through cutting edge and innovative software solutions which enhance today's systems and support tomorrow's needs.

We believe that the most valuable resource we possess is our people. GenieSoftSystem is not just a gathering of highly skilled individuals, but a team. It is built not only on someone's exceptional skills, but rather on collaboration and teamwork. The most valuable resource that GenieSoftSystem has is the people. Throughout years of growth, owing to investments into training, scrupulous selection procedures, competitive benefits and appealing career possibilities, we managed to assemble a mosaic of motivated, loyal and highly skilled IT professionals. The effective work of GenieSoftSystem resides on collaboration and teamwork between all its members, each one perfectly doing his own job.

Mobile Application Development

GenieSoftSystem has broad experience in Mobile Application Development. We provide Mobile Application Development platform including iPhone Mobile Application Development, Android based Mobile Application Development and BlackBerry Application Development, Windows Mobile Application Development, J2ME based Mobile Application Development.
